I am happy to schedule a meeting with you to answer your questions!
Seats in seminars are limited

Lectures

• Register for participations as soon as possible using E-Learning

Seminars & scientific project

• To participate you have to apply at the chair offering the seminar. If you are interested in a seminar check the LSF and the chair’s homepage for information.

• Most of the application deadlines are before the start of the semester!
The LSF is the most important tool to get your schedule

Ask the Simpson Team about their LSF workshop!
The homepages of the chair’s also provide course information
You cannot retake passed modules

- If you have passed an exam, you cannot retake it

- The faculty offers only one examination period after lecture period. If you failed an exam, you have to wait until the end of the following semester to retake it
All the best for Your IMME studies!
