

Study abroad opportunities for FEM students with academic mobility programmes of OVGU

Information by the International Office,
October 2018

The International Office of Magdeburg University:

Have a look at www.ovgu.de/international

We advise OVGU students on ...

- international exchange mobilities – issues of mobility organization – the financing of exchange mobilities

Options for academic mobilities abroad

OVGU partner universities

individually organized mobility

Europe

ERASMUS+ WELTWEIT

target of programme

→ Applications
welcome from both
German and non-

Outside Europe

university status and must without apply the involvement to the

programme OVGU International Office.

→ Priority is given to
German students
without prior int'l

→ Students will have „freemover“

Tuition fees may fall due
at target university.

We advise you to use the services of

German/non- mobility experience professional placement agencies, like **European students** College Contact, Asia Exchange, etc.

Your Options at a Glance:

Studies abroad

- „WELTWEIT“ programme (priority is given to applications of German students):
Application deadline: 15 Dec 2018 for mobility in academic year 2019/20
- „ERASMUS“ programme:
Application deadline:
from January 1st until 01 March 2018 for mobility in academic year 2018/20
→ Note: early application deadline of 01 Feb for some specific ERASMUS destinations

Internships abroad

- ERASMUS internships in Europe → www.leonardo.ovgu.de
 - Presentation, by Ms. Wittkamp, on 16 Nov, 15:00 h, CSC
 - Applications for scholarship: permanent
 - (contact: Ms. Wittkamp, International Office, building 18, room147)
- worldwide (check internship agencies like AIESEC, GIZ, INWENT, IAESTE)
 - Application deadlines: diverse

Preconditions for nomination as ERASMUS or WELTWEIT student:

- Enrollment at OVGU as degree student. Continued enrollment during mobility. Note: Academic exchange students can not earn a degree from the partner university.
- Mobilities should not start before the 5th Bachelor semester or the 2nd Master semester.
- **Language prerequisites:** Documented proof of French, Italian, Portuguese, Russian or Spanish for mobilities in countries of relevant official language.
- **30 ECTS**, being the regular semester workload at OVGU, will generally be valid for studies abroad as well. In the motivation letter or the study plan for your online application, you must explain your motivation for studying abroad and propose subjects, from the current course catalogue of the partner university, that you wish to take.

Advantages for students nominated for the ERASMUS or WELTWEIT exchange programmes:

- Tuition fees at partner universities, if any, will be waived for exchange students. Exchange students benefit from special social and cultural assistance provided by partner universities.
- Established procedure for recognition of study abroad courses, on the basis of the agreed „Learning Agreement“. Contact person at the faculty: Dr. Toni Richter
- International Office will assist nominated exchange students in their registration process at the partner university.
- ERASMUS scholarships available for all nominated ERASMUS students. Range from 180 to 300 € per mobility month, dependent from country of destination.

FWW's partner institutions for exchange mobilities

- WELTWEIT: 19 partner universities in China, Taiwan, Japan, Canada, Kasakhstan, Columbia, Mexico, Russia, Ukraine, U.S.A.
- ERASMUS: 33 partner universities in Finland, France, Great Britain, Italy, Latvia, Lithuania, Netherlands, Poland, Portugal, Sweden, Slovenia, Spain, Turkey, Hungary
- OVGU student exchange database displaying all exchange options:
www.ovgu.de/austauschdatenbank
- Information portal of FWW for mobilities abroad:

<http://www.fww.ovgu.de/fww/en/Studies+abroad+and+Internships.html>

WELTWEIT on-line application procedure:

1. On-line application open until 15 December, see <http://www.ovgu.de/-p-38982>
 - Every applicant may apply for a max. of two WELTWEIT partner destinations.
 - Documents to be attached to your online application (among others):
 - Motivation form (PDF format) and Study Plan (PDF format)
 - Documented proof of skills in the language of instruction and/or official language of the country of destination

- Transcript of records of current (and, if applicable, former completed) studies.
Download transcript via your LSF access.
 - A teacher recommendation letter shall be needed for some destinations.
 - All forms available in the „Formularpool“ („Documents and forms“) of OVGU International Office
- 2. After the review of applications received, applicants will be notified via e-mail. Always use your OVGU student e-mail address for your application.**

ERASMUS on-line application procedure

- 1. On-line application open until 01 March, see www.ovgu.de/erasmus**

- Every applicant may apply for a max. of three ERASMUS partner destinations.
- Documents to be attached to your online application (among others):
- Plain, individual motivation letter (PDF format) (observe hints for contents)
- Documented proof of skills in the language of instruction and/or official language of the country of destination
- Transcript of records of current (and, if applicable, former completed) studies.

Download transcript via your LSF access.

➤ All forms available in the „Formularpool“ („Documents and forms“) of OVGU International Office

**2. After the review of applications received, applicants will be notified via e-mail.
Always use your OVGU student e-mail address for your application.**

Students nominated for an academic mobility must in the following ...

- study the „Factsheet on the recognition of study abroad achievements“ provided by the FWW Examination Office, Dr. Toni Richter (toni.richter@ovgu.de)
- prepare and agree with Dr. Richter on the „Learning Agreement“
- send documents for registration to the partner university after being instructed from that university to do so
- prepare the mobility semester, by closely observing the „Checklist“ prepared by the International Office
(→ „Formularpool“ (“Forms and Documents“) of OVGU International Office

All academic mobility options for the year 2019/20

... are indicated on www.ovgu.de/austauschdatenbank.
