#### 1. Quantitative Modules (e.g. statistics, higher math, econometrics)

Previous studies: **EU** → minimum of **20 ECTS** according to the European Credit Transfer System, and **Non-EU** → **4 modules** from a previous academic education.

|    | Title of the module | Semester, year module completed | ECTS (EU only) |
|----|---------------------|---------------------------------|----------------|
| 1. |                     |                                 |                |
| 2. |                     |                                 |                |
| 3. |                     |                                 |                |
| 4. |                     |                                 |                |
| 5. |                     |                                 |                |
| 6. |                     |                                 |                |

## 2. *Plus Economic and Business Modules*

Previous studies in the **EU** → minimum of **45 ECTS** according to the European Credit Transfer System

Previous studies in **Non-EU** countries → **9 modules** from a previous academic education.

| Title of the module |  | Semester/year module was completed | ECTS (for EU only) |
|---------------------|--|------------------------------------|--------------------|
| 1.                  |  |                                    |                    |
| 2.                  |  |                                    |                    |
| 3.                  |  |                                    |                    |
| 4.                  |  |                                    |                    |
| 5.                  |  |                                    |                    |
| 6.                  |  |                                    |                    |
| 7.                  |  |                                    |                    |
| 8.                  |  |                                    |                    |
| 9.                  |  |                                    |                    |
| 10.                 |  |                                    |                    |
| 11.                 |  |                                    |                    |
| 12.                 |  |                                    |                    |
| 13.                 |  |                                    |                    |
| 14.                 |  |                                    |                    |
| 15.                 |  |                                    |                    |

## 3. *Or Only Mathematics and Statistics Modules*

Previous studies in the **EU** → minimum of **65 ECTS** according to the European Credit Transfer System

Previous studies in **Non-EU** countries → **13 modules** from a previous academic education.

| Title of the module |  | Semester/year module was completed | ECTS (for EU only) |
|---------------------|--|------------------------------------|--------------------|
| 1.                  |  |                                    |                    |
| 2.                  |  |                                    |                    |
| 3.                  |  |                                    |                    |
| 4.                  |  |                                    |                    |
| 5.                  |  |                                    |                    |
| 6.                  |  |                                    |                    |
| 7.                  |  |                                    |                    |
| 8.                  |  |                                    |                    |
| 9.                  |  |                                    |                    |
| 10.                 |  |                                    |                    |
| 11.                 |  |                                    |                    |
| 12.                 |  |                                    |                    |

|     |  |  |  |
|-----|--|--|--|
| 13. |  |  |  |
| 14. |  |  |  |
| 15. |  |  |  |

The following section is only relevant for applicants with a degree gained in Germany:

|   |  |                                    |                    |
|---|--|------------------------------------|--------------------|
| <p>4. <b>Modules taught in English</b> (if applicable) from previous studies from a university <b>within the EU and using the ECTS system</b> → minimum of <b>30 ECTS</b> according to the European Credit Transfer System; an official confirmation (signature, stamp, module description proving the language of instruction...) acknowledging the applicant's English skills is also required.</p> |  |                                    |                    |
| Title of the module   |  | Semester/year module was completed | ECTS (for EU only) |
| 1.  |  |                                    |                    |
| 2.  |  |                                    |                    |
