

How to graduate in the IMME program

1. Pass all mandatory modules
 - International Corporate Strategy (ICS)
 - Business Decision Making (BDM)
 - Marketing Methods and Analysis (MMA)
2. Participate successfully in at least one seminar (10 CP) and in the project seminar (15 CP)
 - Both do not have to be in your specialization area
3. Complete at least one specialization
 - A specialization is completed if you passed three modules
 - Each seminar or project seminar counts as one module
 - Count the number of courses on your transcript of records
4. Gain at least 60 CP from compulsory elective modules
 - Compulsory elective courses are all courses offered in IM, M or E
 - Seminars and project seminars do also count
5. Write a master thesis! 😊

!!! Only relevant for students who were first enrolled for the winter semester 2019/2020 !!!

You can do a maximum of three elective modules to gain 120 CP overall !
